Brothers and Sisters

I would like to take this opportunity to thank each and everyone of you who've supported my re-election for Business Manager. I've been humbled to have had the opportunity to represent our membership throughout Nova Scotia and Prince Edward Island for more than four and a half years now; to be re-elected for an additional four years is truly an honour.

I want to thank all candidates who came forward to participate in our local union election, and congratulate those who've won their elections, I look forward to working with you all.

I take the role of Business Manager very seriously; I know every decision made affects our future. As promised, I will work hard each and every day to ensure our union continues to grow and prosper for years to come.

Fraternally

James Sponagle
