Dear Brothers and Sisters,

Re: Telephone Town Hall Meeting & eVote Information

As you are likely aware, your negotiating committee recently reached a tentative agreement with Nova Scotia Power and is recommending acceptance. The highlights of the agreement will be posted to our website as soon as possible.

We will be holding a telephone town hall meeting for all members on Monday, August 19th at 6:30 p.m., so we can answer any questions you may have, and explain the electronic voting system.

I will be hosting the call. Members of your negotiating committee will also be on the call.

Participating is easy. There will be a call out at 6:30 p.m. for anyone who we have a phone number for. However, for most of you, we are asking you to please dial into the call at 6:30 pm.

The dial in number is: 1-877-229-8493 ext 118684#

If you have a question or wish to make a comment at any time during the call, please dial *3. Please note that this is not a private call and anyone who has this number can join in, including the public or management.

After speaking to an operator, you will be put in a queue where you will be able to ask your question or make a comment live. The meeting call will last as long as we have questions - up to a maximum of two hours - but you can leave at any time simply by hanging up.

Please make every effort to participate in the Telephone Town Hall and help spread the word among your co-workers.

Electronic Ratification Vote:

We have scheduled an electronic ratification vote to begin on Wednesday, August 21st at 9 a.m., and it will remain open until Friday, August 23rd at 12 p.m.

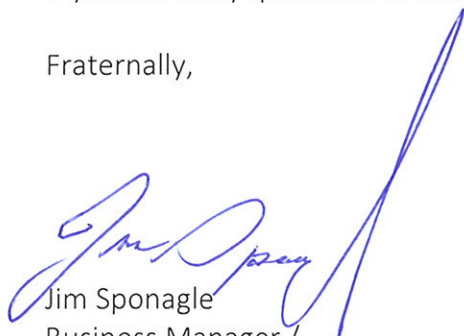

You will receive the e-vote information by Intellivote to your company email address. This email will contain a PIN number.

If you do not receive an email with a PIN number by noon on Wednesday, please check your junk mail folder and look for emails from voterinfo@intellivote.com or contact the union hall and we will be able to assist you. If you require assistance please call the union hall: 902-450-5366

Please make every effort to attend the Telephone Town Hall and participate in the electronic ratification vote. Feel free to help spread the word among your co-workers.

If you have any questions or concerns, please feel free to contact me for clarification.

Fraternally,

Jim Sponagle
Business Manager /
